Graphic Wrap

### Mural Panels

Display your message with impact. Stop them in their tracks with full-color mural graphics.

### Backlit Header

New and improved backlit header features extruded aluminum construction and convenient spring button connection for fast and easy set-up. Available for 8' and 10' pop-up displays and a new Universal Header compatible with several other pop-up displays.

### Shelving

Display your company's literature or products with our exterior shelving. Adjustable as angled literature or flat product shelves.

### Case-to-Counter Conversion Kits

Turn your display case into a useful counter, perfect for laptops, card readers or displaying product. Add life to your counter with our 3 wrap options: Sure-Fit, Fabric or Graphic.
